

Strawberry Hill Pre-School

Art Work Display Policy

At Strawberry Hill Pre-School we aim to display as much of the children's work as we possibly can. We will also send some of the children's work home.

Other work will be filed into their portfolio for the parents' perusal at a later date.

Our policy states that the children's work is their own work. When it is displayed we will not change or tamper with their masterpiece.

Children have the choice to safely hang their own work, in their own way. We will of course help them to hang their work but where they put it and how they do it are their own ideas and their own way.

The children also have the choice to design art work on our big portable blackboard. Each piece of art, whether completed by one child or a group, will be displayed for a minimum of one week.
