

Strawberry Hill Pre-School

No Smoking Policy

We comply with health and safety regulations and the welfare requirements of the EYFS in making our setting a smoking-free environment both indoors and outdoors.

We do this by:

All staff, parents and volunteers are made aware of the no smoking policy.

Displaying 'no smoking' signs around the setting.

Staff who do smoke may only do this on their break and well away from the premises.

To prevent passive smoking, staff are required to take off their uniform when leaving the premises. This is to prevent the odour of smoke lingering on their clothes.

Staff are required to make every effort to reduce the effect of the odour and lingering effects before returning to work from their break.

Actively discourage smoking by providing information about the health risks.

Guidance from:

The smoke-free Regulations 2006
